(4) Where in relation to any offence in respect of which a minimum sentence of imprisonment and, in the alternative, a sentence of a fine of a minimum amount are prescribed-

(a) if the court passes a sentence of imprisonment of the prescribed minimum term or more, the court may, in addition thereto, impose a sentence of a fine not exceeding one-half of the maximum fine prescribed in relation to such offence;

(4) Where an offence is compounded in accordance with the provisions of subsection (2) and proceedings are brought against the offender for the same offence, it shall be a good defence for such offender if he proves to the satisfaction of the court that the offence with which he is charged has been compounded under subsection (2).
